

# ScienceAbroad Symposium Series

# LIFE SCIENCES

Facing the COVID-19 crisis, ScienceAbroad is extending its activities, reaching out to all Israeli scientists around the world and across the disciplines with a one of a kind Global Israeli Science Symposium Series.

We invite Israeli **graduate students, postdocs and faculty members** in Life Sciences to attend the meeting, hear about the exciting science, and network.

# 1.12

1 בדצמבר, 2020

18:00-21:00 | IST
